

Djerriwarrh Community House User Group Policy

Djerriwarrh Community House is a community facility managed by Djerriwarrh Community & Education Services (Djerriwarrh) and owned by Melton City Council.

Non profit groups which provide a service to the community and are open to the general public may have access to the Community House free of charge. User groups that fall into this group may also donate funds to the Community House to off set costs of maintaining the Community House.

Users groups must ensure responsible adults adequately supervise activities and are conducted at an acceptable community standard.

User groups of the Community House that are for profit or exclusive will be charged a fee and will need to provide a copy of their Public Liability Insurance.
