About us

Established in 1989, Djerriwarrh Community & Education Services is a leading purpose-led community organisation that strives to remove disadvantage in our communities by providing inclusive access to quality learning, education and employment opportunities.

Since 2018, we have supported more than 3,500 parents to connect with local services, undertake education and training, and start a new job.

We are excited to be continuing our delivery of the ParentsNext program for a further three years to 30 June 2024 and supporting more parents to achieve their education and employment goals.
