

# Aged Care Traineeship

## CHC33015 Certificate III in Individual Support (Ageing)

Aged Care is a career that makes a difference in the lives of older people and an industry with a shortage of skilled workers.

In this traineeship you will combine on the job training with an aged care employer and classroom training with Djerriwarrh. The traineeship is free for eligible participants\* and you may be offered ongoing work with the host employer at the completion of the program.

You will be introduced to all aspects of a carers' role including personal care, well being and assistance with daily activities. On successful completion of the traineeship you will achieve the CHC33015 Certificate III in Individual support (Ageing)

**This traineeship may lead to paid work in a residential aged care facility or with an In Home Care provider.**

\*Training is delivered with the support of the Victorian and Commonwealth funding, subject to the eligibility of the individual.

- Earn while you learn
- Get qualified for aged care
- Free for eligible participants\*
- Course runs minimum 12 months

To register your interest  
please call 8746 1000

# Aged Care Traineeship

## Entry requirements

There are no formal entry requirements however applicants must undertake a pre-training review to determine if the program is suitable and appropriate for them.

## Additional Information

The traineeship is open to people from all walks of life. We encourage you to apply if English is not your first language, if you have a disability, if you are indigenous and whatever your age, gender or sexuality.

We also encourage you to apply if you are completely new to this industry.

You will be placed with an employer as part of the traineeship. You do not need to find your own placement.

Part time options may be available and shift work is a normal requirement of this industry
